Dear Retail Partner,

My father quoted Proverbs 25:11 often over the years:

*“Golden apples in silver settings, are words spoken at the proper time.”* NABRE

In the following pages you’ll find the newest and best resources from Catholic Bible Press. We are profoundly grateful for the products that God has entrusted us to bring to market and take the responsibility very seriously. We are also here to be your partner. ## CATHOLIC BIBLE PRESS Q&A

### **What is the difference between the Catholic and Protestant Canon of the Bible?**

Catholic and Protestant Bibles both have a New Testament that contains the same 27 books. But when it comes to the Old Testament, Catholic and Protestant Bibles differ with Catholic Bibles including 7 additional books known as the deuterocanonical books.

### **What is the difference between the deuterocanonical books and the apocrypha?**

The deuterocanonical books are an important part of the Catholic Bible and are within the Old Testament. These seven books flow within the Old Testament text and include: *Tobit, Judith, 1 and 2 Maccabees, The Wisdom of Solomon, Sirach, Barach*. By contrast, the Apocrypha contains 14/15 books—typically grouped together in a back section of the Old Testament and are viewed as additional readings.

### **Which translation is approved by the Roman Catholic Church and the diocese? When should we recommend the NRSV-Catholic Edition or the NAB-Revised Edition?**

The NRSV-Catholic Edition and NAB-Revised Edition are both approved translations, with the Imprimatur of the Roman Catholic Church. A major influence for the Catholic consumer will be the approval by the Roman Catholic Church and the United States Conference of Catholic Bishops. This approval is given and recommended for different use and different settings. The NRSV-Catholic Edition is approved for private use and study, while the NAB-Revised Edition is approved for use in Mass and Worship settings.

### **What is the New American Bible-Revised Edition (NABRE)? Is the original NAB available?**

The New American Bible-Revised Edition (NABRE) is the Bible translation that is used in most lectionaries and missals used within the Roman Catholic churches in the U.S. and Philippines. This translation is stewarded by the Roman Catholic Church and the Confraternity of Christian Doctrine. Unlike with Protestant translations, when the NAB was revised all of the previous versions were no longer available.

### **What are some of the other major Catholic sacraments, celebrations and traditions?**

The seven sacraments are baptism, confirmation, Eucharist, penance, anointing of the sick, marriage, and holy orders. Baptism: birth/conversion, Holy Eucharist: 7 years old, Confirmation: 14 years, Penance: Weekly Confession of Sin, Holy Orders: Catholic man becomes a spiritual leader in the community.

### **What are some of the key faith practices for Catholics?**

Prayer, Scripture Reading, Confession, and Atonement are all vital parts of Catholic Living. Scripture also plays a key role as the Catholic Church follows a standard Liturgical Calendar based on the special seasons of the church, like Advent, Easter, Lent, etc. The calendar includes Scriptures to be read each day and runs on a 3-year cycle (Year A, B, C).
